Remote Learning during the Coronavirus (COVID-19) Pandemic

Within the ever-changing circumstances we are currently living through, we must be prepared for local restrictions. If local restrictions apply, the Trust will implement provision for remote learning to ensure pupils never miss out on education. We will ensure that our curriculum is inclusive and accessible to all. This policy annex outlines additional measures that will be implemented for delivering remote learning during the pandemic.

1. Legal framework

- 1.1 This policy has due regard to all relevant legislation, statutory and good practice guidance including, but not limited to, the following:
- DfE (2020) 'Safeguarding and remote education during coronavirus (COVID-19)'
 - DfE (2020) 'Adapting teaching practice for remote education'
 - DfE (2020) 'Guidance for full opening: schools'
 - DfE (2020) 'Get help with technology during coronavirus (COVID-19)'
 - DfE (2020) 'Get laptops and tablets for children who cannot attend school due to coronavirus (COVID-19)'
 - DfE (2020) 'How schools can plan for tier 2 local restrictions'
 - DfE (2020) 'Laptops, tablets and 4G wireless routers provided during coronavirus (COVID-19)'
 - Department of Health & Social Care (2020) 'COVID-19 contain framework: a guide for local decision makers'

2. Contingency planning

- 2.1 The academies will work closely with the relevant agencies to ensure that all premises are COVID-secure, and will complete all necessary risk assessments – results of the opening risk assessment will be published on academy's websites.
- 2.2 The academies will work closely with the local health protection teams when local restrictions apply and implement the provisions set within their contingency plan.
- 2.3 The academies will communicate contingency plans for local restrictions with parents/carers, including whether it will remain open to vulnerable pupils and children of critical workers, or if remote working will be applicable for all.
- 2.4 If local restrictions are **not** applied, but a single class or 'bubble' needs to self-isolate, the academies will immediately implement remote learning for that group.

- 2.5 The level of remote learning provision required will be based on the government's four tiers of local restrictions. Where there are no local restrictions in place, the academies will continue to remain fully open to all, and these tiers will not apply.

Tier 1 local restrictions

- 2.6 The academies will remain open if tier 1 restrictions are in place, and remote learning will not be provided at this time.

Tier 2 local restrictions

- 2.7 Special Schools remain fully open. Remote learning will be made available for those self-isolating or advised to shield.

Tier 3 local restrictions

- 2.8 Special Schools remain fully open. Remote learning will be made available for those self-isolating or advised to shield.

Tier 4 local restrictions

- 2.9 Tier 4 goes further to limit attendance to just vulnerable children and young people and the children of critical workers at all settings, excluding AP and special schools. Where there are no local restrictions in place, education provision should continue to remain fully open to all, and these tiers do not apply. For pupils who are categorised as needing to shield, remote learning will be actioned in accordance with section 3.

3. Teaching and learning

- 3.1 All pupils will have access to high-quality education when remote working.
- 3.2 The academies will use a range of teaching methods to cater for all different learning styles and needs.
- 3.3 Teachers will ensure lessons are inclusive for all pupils and can be adapted to account for the needs of specific pupils.
- 3.4 When teaching pupils who are working remotely, teachers will:
- Set tasks so that pupils have meaningful and ambitious work each day.
 - Deliver a planned, coherent and well-sequenced curriculum which allows skills to be built incrementally.
 - Provide frequent, clear explanations of new content through high-quality curriculum resources, including through educational videos.
 - Assess progress by using questions and other suitable tasks and be clear on how regularly work will be checked.
 - Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding.

- Plan a programme that is of equivalent length to the core teaching pupils would receive in school, ideally including daily contact with teachers.
- 3.5 All provisions for remote learning will be subject to the class group's age, ability and/or any SEND.
 - 3.6 In exceptional circumstances, the academies may reduce the curriculum offering to enable pupils to cope with the workload – the Principals will assess this need, keeping pupils' best interests in mind, and will not take the decision lightly.
 - 3.7 Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.
 - 3.8 The Trust will utilise the support available through the DfE's 'Get help with technology during coronavirus (COVID-19)' scheme.
 - 3.9 Under the scheme, the Trust can order laptops, tablets and 4G wireless routers to support the following groups of pupils if they do not have access to a digital device or the internet through other means:
 - Pupils in Years 3 to 11
 - Clinically extremely vulnerable children across all year groups who are shielding or self-isolating in line with government advice
 - Children in all year groups who are unable to access remote education whilst attending school on a hospital site
 - 3.10 Before distributing devices, the Trust will ensure:
 - The devices are set up to access remote education.
 - Appropriate safeguarding controls and support are in place to help pupils and their families use the devices safely.
 - 3.11 Once devices are ready for collection, the academies will either arrange for them to be collected by families from the academy or delivered to pupils' homes, ensuring infection control measures are adhered to as part of this process.

4. Returning to school

- 4.1 The Principal will work with the local health protection teams to ensure pupils are only in school or only return to school when it is safe for them to do so.
- 4.2 After a period of self-isolation, or the lessening of local lockdown rules, the Principal will inform parents/carers when their child will return to school.
- 4.3 The Principal will listen to all concerns that parents/carers may have about their child returning to school and will advise them of the measures in place to ensure the safety of their child.

5. Monitoring and review

- 5.1 This policy annex will be reviewed in line with any updates to government guidance.
- 5.2 All changes to the policy will be communicated to relevant members of the school community.
